MISSOULA, Mont.--

The University of Montana chapter of Alpha Lambda Delta (ALD), a national scholastic honorary for freshmen, initiated 57 new members recently on the Missoula campus, according to Mrs. Margaret H. McGuire, adviser for ALD.

Students chosen for the honorary must attain a minimum 3.5 (B-plus) grade point average during the first two quarters of their freshman year.

McGuire, who also is the adviser for foreign and handicapped students at UM, said members of ALD are active throughout their sophomore year.

She said that the UM chapter of ALD was established in 1936. The honorary was founded at the University of Illinois in 1924 by Dr. Maria Leonard, former dean of women at U of I, who died recently at the age of 96.

Formerly an honorary for women only, ALD recently opened its membership to freshman men. McGuire said that no men have applied for membership at UM.
